Welcome to StoryWalk™ Aspen

StoryWalk™ is a fun educational activity that places a children’s story (a deconstructed book, page by page) along a popular walking route in the community. Created as a way to inspire parents, teachers, and caregivers to take young children outside to combine physical activity with learning, StoryWalk™ helps to increase children’s interest in reading and encourages healthy activity for both adults and children.

Be sure to take lots of photos and share them with us online (Facebook or Instagram) using the hashtag #StoryWalkAspen.

When Winter Comes

By Nancy Van Laan, Illustrated by Susan Goeler

The illustrations in this book are so colorful!

Can you name all the different colors you see on these pages?

How do you get prepared for when it’s cold outside?

Do you have a big winter coat? Do you drink hot chocolate?

How many leaves can you count on these pages?

Do you see any leaves on the ground around you?
